Notes: _____

Thank you for your support. Through your generosity, you are supporting BHS in our mission to improve the health of the people we serve by financially supporting growth of BHS's programs and services.

The BHS Foundation supports the Mission of Butler Health System by providing avenues for individuals, corporations and philanthropic organizations to support the programs and services of BHS.

The Foundation raises money through special events, targeted campaigns, and soliciting foundation and corporate grants.

Your Donation

A gift of health is one of the most enduring gifts you can make. When you give through the Foundation, you join thousands of others who know how good it feels to contribute to the health of our community.

As the health care needs of our community continue to expand, the challenge to help Butler Memorial Hospital fill these needs will continue to grow. It is our responsibility to foster philanthropic support by providing as many avenues for giving as possible.

You may choose how your gift to the Butler Health System Foundation is used. A general gift with no specific request, will be placed in the unrestricted fund to be available for all areas of financial need.

You may also specify to have your donation used for a specific program or service. Available programs are listed on the donation panel.

How Do I Give?

Gifts can be made online, by personal check, money order or credit card. Payroll deductions are available for Butler Health System employees.

The Foundation also arranges other means of making a contribution, such as the transfer of stock, bequests and pledges. To receive information on any of these donor options, contact the Butler Health System Foundation at:
