

## Veronica Eisen, M.D.

Specializing In:

- Radiation Oncology

Dr. Eisen earned her undergraduate degree in biological sciences from State University of New York in Buffalo, N.Y. She earned her medical degree at State University of New York, Upstate Medical University in Syracuse, N.Y. She completed an internship at Riverside Regional Medical Center in Newport News, Va., and her radiation oncology residency at Georgetown University Hospital in Washington, D.C.

Prior to joining the Allegheny Health Network Cancer Institute, Dr. Eisen practiced with the Radiation Oncology Specialists at Riverside Medical Group in Newport News, Va.

Dr. Eisen is certified in radiation oncology by the American Board of Radiology and is a radiation oncologist with the Allegheny Health Network Cancer Institute. She provides radiation oncology care at The Cancer Center at Clarion Hospital. The partnership between Clarion Hospital and the Allegheny Health Network, provides patients in the region access to state-of-the-art radiation treatment under the direction of the Allegheny Health Network's nationally recognized team of physicians and radiation physicists. In addition, patients have access to the most advanced research and treatments available through our collaboration with Johns Hopkins Sidney Kimmel Comprehensive Cancer Center.

Dr. Eisen also serves as medical director of Radiation Oncology at The Cancer Center at Clarion Hospital. She has medical staff privileges at Clarion Hospital, Allegheny General Hospital and West Penn Hospital.
